Dear Sirs,

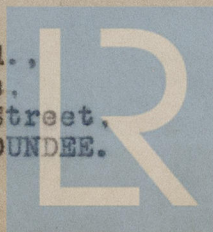

I beg to acknowledge the receipt of your letter of the 26th instant with further reference to the Steamer "ROWANPARK", and in reply, I can only repeat that until a satisfactory report has been received from the Society's Surveyors that the requisite work has been carried out to the boilers of the vessel it would be contrary to the Committee's practice to issue a clean certificate for the survey of the machinery.

I am, Dear Sirs,

Yours faithfully,

Secretary.
