

S.S. "BENVORLICH".

This vessel is being fitted out for burning oil fuel. Mr. Hill, the Owners' Assistant Superintendent, has called here this afternoon and left the enclosed plans and states that the vessel is coming to London where she will be lying in the West India Dock and will there be submitted to survey, with regard to the survey of the installation of the oil fuel burning arrangements.

It is submitted the London Surveyors should be advised accordingly.

A. R. K.

23.3.20.

Note: The Surveyor or Surveyors having this case in hand should consult with Mr. Carnaghan re arrangements required.
