DE OF CENTRE LINE ALL FARE AND ART. REIGNANT

Swelling as per Dec 12. a

No ceiling and insert under hatch (with 2nd plate over)

and over ladders

The diagram shows a rectangular building plan with various dimensions and annotations:

- Overall Dimensions:** The overall width is labeled as $27' \times 16'$ on the left side. The overall depth is labeled as $32' \times 32'$ at the bottom right.
- Internal Features:**
 - A central square area is labeled $27' \times 16'$.
 - Two vertical rectangles are labeled "Vertical Angles $58' \times 38'$ ".
 - Two horizontal rectangles are labeled "Horizontal Angles $32' \times 32'$ ".
 - An internal horizontal rectangle is labeled "INTERNAL RECTANGLE $27' \times 16'$ ".
 - Another internal horizontal rectangle is labeled "INTERNAL RECTANGLE $32' \times 32'$ ".
- Annotations and Notes:**
 - "BUILT IN 1900" is written near the top center.
 - "BRICK CONCRETE FOUNDATION" is written along the top edge.
 - "CONCRETE FLOOR" is written near the top right.
 - "WOODEN ROOF" is written near the top right.
 - "WOODEN WALLS" is written near the top right.
 - "WOODEN FLOORS" is written near the top right.
 - "WOODEN CEILING" is written near the top right.
 - "WOODEN DOORS" is written near the top right.
 - "WOODEN WINDOWS" is written near the top right.
 - "WOODEN STAIRS" is written near the top right.
 - "WOODEN BATHROOM" is written near the top right.
 - "WOODEN KITCHEN" is written near the top right.
 - "WOODEN LIVING ROOM" is written near the top right.
 - "WOODEN BEDROOM" is written near the top right.
 - "WOODEN PORCH" is written near the top right.
 - "WOODEN PATIO" is written near the top right.
 - "WOODEN DRIVEWAY" is written near the top right.
 - "WOODEN GARAGE" is written near the top right.
 - "WOODEN SHED" is written near the top right.
 - "WOODEN TOOLSHED" is written near the top right.
 - "WOODEN STORAGE" is written near the top right.
 - "WOODEN OFFICE" is written near the top right.
 - "WOODEN LAB" is written near the top right.
 - "WOODEN WORKSHOP" is written near the top right.
 - "WOODEN CLOSET" is written near the top right.
 - "WOODEN DRESSING ROOM" is written near the top right.
 - "WOODEN HALLWAY" is written near the top right.
 - "WOODEN ENTRY" is written near the top right.
 - "WOODEN PORCH" is written near the top right.
 - "WOODEN PATIO" is written near the top right.
 - "WOODEN DRIVEWAY" is written near the top right.
 - "WOODEN GARAGE" is written near the top right.
 - "WOODEN SHED" is written near the top right.
 - "WOODEN TOOLSHED" is written near the top right.
 - "WOODEN STORAGE" is written near the top right.
 - "WOODEN OFFICE" is written near the top right.
 - "WOODEN LAB" is written near the top right.
 - "WOODEN WORKSHOP" is written near the top right.
 - "WOODEN CLOSET" is written near the top right.
 - "WOODEN DRESSING ROOM" is written near the top right.
 - "WOODEN HALLWAY" is written near the top right.
 - "WOODEN ENTRY" is written near the top right.

STRAKES B.C. IN WAY OF DOUBLE BOTTOM REDUCED TO
WHERE 2" THICK AND OVER.

STRAKES B.C. TO HAVE THEIR PROPER THICKNESS MAINTAIN

NOTE: PROPOSED TO FIT SINGLE BARS DOUBLE RIVETED TO MARGIN AND CENTRE VERTICAL PLATES, IN LIEU OF DOUBLE BARS OF PROPORTUNATE STRENGTH
