CONFIDENTIAL.

Your Ref:A.A./N.S.03953/40/10192.

20th May, 1940.

Dear Sir,

R. I duly received your letter of the 15th instant, from which I much regret to learn that the R.P.A."BOARDALE" was lost through marine risk on the 30th April.

As the letter "B" of the next Edition of the Society's Register Book has been printed off, it is not possible to omit her name, but due note has been taken to omit her name from the 1941/1942 Register Book.

If not troubling you too much it will be appreciated if you will be so good as to fill in the particulars on the enclosed card, for purposes of the statistical records which are compiled by this Society .

I am, Dear Sir,

Yours faithfully,

pro Secretary,

The Secretary of the Admiralty,
Naval Store Department,
Admiralty,
BATH.
