The Secretary
London

Dear Sir

With reference to your query in the closing letter of the 1st inst. Nwc. Rpt. No. 75875 *sp* "British General" also *sp* "British Corporal" I have to state that a linerless screw shaft with Vickers' Patent Gland was intended to be indicated by the note "A short brass liner is fitted on tail shaft of propeller shaft in way of Vickers outside stern bush"

I am, Dear Sir,

Yours faithfully
R. L. Lunn.
