Received from Chief Ship Surveyor..... MAY 1936

VESSEL'S NAME "ORAMA" Rpt. Brw. No. 2600

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey.....

The Barrow Surveyors report the vessel examined afloat and alterations effected to accommodation spaces^{etc} to the Surveyors' satisfaction. (*as per approved plan attached*)

Opportunity was taken to examine side framing and bilges in Nos.1 & 2 holds in way of insulation now part removed for repairs.

It is submitted the vessel appears worthy to remain as classed without record of survey.
