Dear Sir,

"Napier Star".

We beg to confirm our telephone conversation today regarding the Owners' proposal to fit a poop on this ship extending to frame 30 and also lengthen the forecastle to frame 168, and note that no further increase in equipment is required for this additional structure.

If the proposal is proceeded with, plan of the new poop deck <sup>and</sup> side plating will be submitted in due course.

Yours faithfully,

For SWAN, HUNTER, & WIGHAM RICHARDSON, LIMITED.
