

T.S.S. "NAPIER STAR".  
-----

Owners:- The Blue Star Line.  
-----

Plans, in triplicate, shewing proposals for filling in the forward and after wells have been submitted by Messrs. Swan, Hunter & Wigham Richardson, Ltd.

Similar proposals have already been dealt with for this vessel on the 20th June last for Messrs. Palmers Hebburn Co., and also on previous occasions.

It is submitted the Builders be informed that provided the arrangements be carried out as shewn and amended on the plans and to the satisfaction of the Society's Surveyors, the same will merit approval.

The scantlings and arrangements have been considered on the assumption that no increase in draught is required on account of the fitting of these extra erections.

The equipment will not be affected by these alterations.

The case has been discussed with the Builders' Representative, and, as requested by him, it is submitted the following wire be sent to the Builders:-

"Napierstar Shelter deck beams  
"no hanging cargo through beams  
"eight threeandhalf threeandhalf  
"point fourtwo web five two flange  
"channel half beams point threefour  
"web fivetwo flange channel".
