Dear Sirs,

We duly received your letter enclosing our submissions of the 18th instant, in respect of proposed structural alterations to T.S.S. "Napier Star", and thank you for your usual prompt attention to this urgent matter.

Your remarks in regard to compensation of hold framing have been noted and amended.

We propose to increase the equipment in the event of a forecastle being fitted, by 45 fathoms Chain Cable and fitting a new Bower Anchor, weight 105 cwts, in place of *one of* the existing Bowers.

We are,

Yours faithfully,

For the Company.
