Dear Sir,

m. s. "MORVIKEN".

Further to our letter of the 15th inst. in the matter of the water jacket of port auxiliary motor, we have now had reply from the Master that a satisfactory renewal has been effected.

The matter was cleared by an exchange of telegrams and, therefore, we have no actual details, but these will no doubt come to hand by mail when we shall be pleased to advise you further.

We are, dear Sir,  
Yours faithfully,  
THE NORWEGIAN SHIPPING AND TRADE MISSION.
