14th August, 1940.

H. Dear Sirs,

With reference to the classification in this Society's Register Book of the motorship "MORVIKEN", I beg to acquaint you that in March last the Society's Surveyor at Bergen reported that temporary repairs had been effected to the cylinder Jacket of the port auxiliary oil engine, and he recommended that this jacket should be renewed before the end of June 1940.

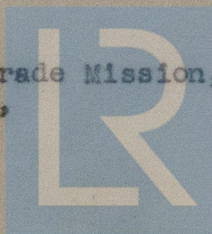

In the circumstances I shall be obliged if you will kindly let me know what arrangements can be made for this matter to receive attention.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
