Dear Mr. Warlow,

We are forwarding today the first entry certificates on the motorship "NAPIER STAR" as all the fees appear to have been paid, except one of two guineas charged on Mr. Minchin's machinery report in regard to damage.

Would you mind seeing that this small item is collected before the certificates are handed over?

With kind regards,  
Yours faithfully,

P.L. Warlow, Esq.,  
GLASGOW.
