# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

16th July, 1920.

Dear Sir,

I have to confirm the following telegram which was sent to you to-day respecting the Steamer "OLYMPIER", Glasgow First Entry report No. 40166, viz:-

"OLYMPIER REPORT 40166 Owners anxious obtain classification  
"certificate without midship section please collect fees  
"and telegraph when paid".

I may say that this would appear to be a similar case to the Steamer "DALMATIER", Glasgow Report No. 39835, in respect of which a similar request was received from the Owners, and I await a telegraphic reply from you on payment of the fees in this case. I should add that the First Entry Certificates of Classification will be sent to you to pass on to the Builders in the usual way when the fees have been paid.

At the same time I shall be glad if you will kindly ascertain from the Surveyors and let me know the length of the dry tank under the boilers, and also forward to this Office the usual letter from the Owners respecting the omission

of the tween deck bulkhead in the after hold.

The Secretary,

GLASGOW.

I am, Dear Sir,  
Yours faithfully,

Lloyd's Register  
Foundation  
Secretary.
