Sir,

With reference to the case of the steamer "DELFIN" (your report No.645), I have to draw your attention to the fact that my letters addressed to you on the 22nd September and 13th ultimo still remain unanswered, and that the sketches requested have not yet come to hand.

I have to point out that the Committee require you in all cases to give prompt attention to enquiries from this Office, and I have to request that you will be so good as to furnish the required information without further delay, and at the same time to explain why this has not been done previously.

I am, Sir,

Your obedient Servant,

A.Muston Esq.,
BARCELONA.
