Rpt. *Bcl*

No. *645*

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

of Survey

*Oth. Survey*

It is submitted that before this case receives the consideration of the Committee the Barcelona Surveyor should be requested to forward a sketch shewing the alterations which have now been made in the vessel, particularly in regard to the filling in of the wells, and should indicate thereon the scantlings of the material used.
