Applendor

February 2nd 1890

I have this day received the Report
of the Inspectors from Mr. Hand in which
I have made some alterations as to the
Wares and Lower Riffing and Running gear
I am afraid the Lower Riffing is in a bad
state which I did not know at the time
Mr. Hand was here. The Foreman Riff is not
going through the same at that time
also the Wares are deficient

I am Sir

Your obedient Servant
G. Westcott
