Sir,

I am in receipt of your letter of the 5th instant, respecting the barque "EURYDICE", and in reply thereto I have to inform you that the Society's Surveyors at Cardiff are being requested to arrange for either Mr. Hamilton, the Principal Surveyor, or Mr. Hand, the Senior Surveyor, to proceed to your port to join you in holding the Special Survey No. 1 on this vessel.

You should therefore place yourself in communication with them, and advise them in due course when the vessel is in dry dock and prepared for survey.

The reports on the case are at present in the hands of the Society's Surveyors at Glasgow, who are being instructed to forward the same on to you.

I am, Sir,

Your obedient servant,

Mr. G. Westcott,
