12th June, 1903.

Dear Sirs,

I duly received your letter of the 10th instant in further reference to the case of your Bk. "EURYDICE", and have read the same to the Committee at their meeting today. With regard thereto I am directed to acquaint you that the Committee adhere to their previous decision to defer action in regard to the vessel's class subject to the vessel being surveyed and satisfactorily reported upon by the Society's Surveyor before she leaves Nova Scotia, and I shall therefore be obliged if you will kindly give instructions to the Master to arrange for the survey to be held accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.
