9th June, 1903.

Dear Sirs,

I duly received your letter of the 6th instant respecting the case of your Bk. "EURYDICE", and having submitted the same to the Committee at their meeting today I am directed to acquaint you that they are agreeable under the circumstances mentioned by you to further defer action in the matter subject to the vessel being surveyed by the Society's Surveyor in Nova Scotia before loading a cargo there, and I shall be glad to hear that you will undertake to have the vessel surveyed accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.
