31st March, 1903.

Dear Sirs,

S. I am in receipt of your letter of the 28th instant with further reference to your Bk. "EURYDICE", and in reply beg to acquaint you that the Committee have given this case their further consideration to-day and that they regret they are unable to agree to the arrangements you propose, which are not considered satisfactory, and that unless definite arrangements be made for the Special Survey No.1 and all necessary repairs to be carried out to the satisfaction of the Society's Surveyor before the vessel leaves Buenos Aires the Committee will have no alternative but to expunge her class from the Register Book.

I shall therefore be glad to learn, for the Committee's information, what steps you propose taking in the matter.

I am, Dear Sirs,

Yours faithfully,

Messrs. James Sutherland & Co.,
