vey due *Special Survey* not due May 1902.

The Owners write that this vessel is now loading at
 Lip Island for Rio de Janeiro, where the survey in question could
 be presumed to be carried out. They add that she was inspected
 thoroughly by the Society's Surveyors at Antwerp last September and
 considerable repairs were then done under Mr. Rules' survey; should he
 report favourably upon her, her present class might perhaps be
 continued until her return to this country.

Submitted that the owner be informed that the
 Survey might be deferred until the vessel's return to
 this country provided it be completed within the year of the
 Committee's Minute FRI. 18 JUL 1902 17/7/02
 Defered FRI. 6 MAR 1903
