25th January, 1900.

Dear Sirs,

With reference to the classification in this Society's Register Book of the ship "AGNES OSWALD", I beg to acquaint you that the Special Survey No.2 was carried out at Calcutta in January last year, but it was recommended that the poop deck, which was temporarily repaired there, should be permanently <sup>repaired</sup> or renewed on the vessel's arrival at a home port.

As the vessel appears to have arrived at Ipswich on the 18th instant, I shall be glad to learn, when and at what port the matter in question will receive attention.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
