Sir,

We beg to acknowledge receipt of your communication of yesterday's date with reference to the Special Survey No. 2 of our ship "AGNES OSWALD", now past due. As you are aware, this vessel had considerable damage repairs executed at Delagoa Bay in Janry. 1896, and we have duly received from you copies of your Surveyor's report there reference to the condition of vessel at that time. As vessel has since been trading abroad, we have not had an opportunity of having the necessary inspection in question gone into. Vessel is presently on passage, Port Stanley, Falkland Islands to Vancouver, and as she will load home from there for this country, we would crave your further indulgence until her return, which, we calculate, will be in about 6 months hence.

Your obedient servants,

*Thos. Law & Co.*
