23rd. December, 1897.

Dear Sirs,

With reference to the classification in this Society's Register Book of your ship "AGNES OSWALD", I am directed to remind you that the Special Survey No.2 became due so long ago as November, 1896, and, as the year of grace allowed by the Society's Rules within which to complete the survey has expired and no part of it has been held, the Committee regret that they will have no option but to deal with the vessel's class, unless she be submitted to the inspection in question without further delay.

I shall therefore be glad to hear from you on the subject as soon as possible.

I am, Dear Sirs,

Yours faithfully,

Secretary.
