A. G. Dryhurst Esqre
Secretary to Lloyd's Register of Shipping

Sir,

I have the honour to acknowledge receipt of your letter of the 21st December 1893, respecting the special Survey N^o 2 of the rules on the s.s. "Kohinur". The vessel is now in Port and the Marine Superintendent has requested me to begin the survey tomorrow, but she will not go into Dock until May next. The Agents promised to let me know when they would submit the vessel for survey, but up until today they have not done so. Now they have requested me to take her in hand I shall endeavour to have it carried out with as little delay as possible, but it can only be done piece by piece while the vessel is running.

The Notice for Special Survey N^o 1 on the s.s. "Nawab" has been forwarded to the Agents as requested.

I have the honour to be, Sir,
Your Most Obedt. Servant
