In case the Message shall never reach its destination by reason of any neglect or default of the Company or its Servants whilst the Message remains under the control of the Company, they will refund the amount paid by the sender for the transmission and delivery of the Message, less any sum or sums of money included in such amount which the Company has received, and has either paid over or is liable to pay over in respect of such transmission or delivery to any other Telegraphic administration or authority not controlled by the Company exclusively, though working in connection with the Company.

No such refunding, however, shall take place if the non-transmission or non-delivery is caused by "*force majeure*," or by circumstances which the Company cannot control, or otherwise than by the neglect or default of the Company or its Servants whilst the Message is under the control of the Company; and the Company shall not be liable to make compensation beyond the amount to be refunded as above for any loss, injury, or damage arising or resulting from the non-transmission, non-delivery of the Message, or delay or error in the transmission or delivery thereof, howsoever such non-transmission, non-delivery, delay, or error shall have occurred.

The control of the Company over the Message shall be deemed to have entirely ceased for the purposes of these conditions at any point where in the course of the transit of the Message to its destination it may be entrusted by the Company (and the Company shall have full power so to entrust the Message) for further transmission by post or other conveyance, or through any system, service, or line of Telegraph belonging to or worked by any administration or authority not controlled by the Company exclusively, although worked as part of, or in connection with the Telegraphic system or service of the Company.

I request that the above Telegram may be forwarded according to the above *Conditions*, by which I agree to abide.
