

12 Hartings Street
30 Aug 1875

Messrs Girdley Muir & Co
Dear Sirs

44
I hear the Magnum is about to dock in the
Caladonia dock. They say that I have
a strong objection to attend a vessel
in that dock because there is no European
Assistant under the Foreman as there is
in other docks where there is the objection
will be removed

Yours dear Sir

Yours faithfully
W Stewart
