REGISTRY,
LONDON.

RECD 14 DEC 1917
ANSO

Sir,

I beg to confirm my telegram of today, viz:

" Yacht " JACINTA" all structural alteration for mercantile purposes
" carried out my satisfaction stop may vessel be classed 100 A1
" Register Book stop please give approximate summer freeboard wire
" urgent"

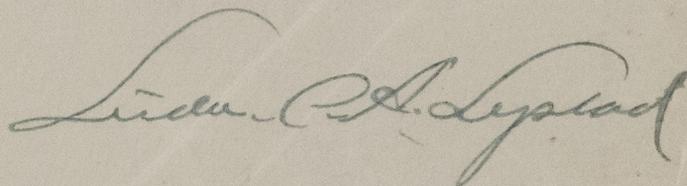

and beg to inform you, that the owners have trouble in having this steamer registered unless the steamer obtains 100 A1 in the Register Book and a freeboard is placed on the vessel's sides.

The Sjøfartskontoret is of the opinion that the vessel ought to be classed with freeboard as condition of class, but are now awaiting your decision as regards the vessel's class and freeboard.

I am, Sir,

Yours faithfully

The Secretary
London.
