

SAILING VESSEL "ELIZABETH".

It is submitted Mr. Smith be informed that if all the requirements of the 2nd S.S. No.3 are carried out at Callao to his satisfaction with the exception of the refitting of the masts spars rigging and sails the vessel can be classed 100 A1 "Barge for being towed", provided the masts rigging and sails are sufficient for this purpose and in good condition, and he can issue an interim certificate stating that he has recommended the vessel for this class.

Or alternatively, he may issue an interim certificate stating that all the requirements of the 2nd S.S. No.3 have been carried out to his satisfaction with the exception ~~with~~ ~~the exception~~ of the refitting of the masts spars rigging and sails and that he recommends the vessel to have her classed 100A1 re-instated in the Register Book when the masts and rigging have been re-fitted to the satisfaction of the Society's Surveyors, provided such a statement be in accordance with the facts.
