Lloyd's Register of Shipping,

1st May, 1916.

Dear Sir,

Reverting to your letter of the 19th ultimo,
S. and to previous correspondence, respecting the Survey
desired to be held at Callao by the Society's Surveyor
from Valparaiso, with a view to the re-classification in
the Register Book of the steamer "LA CONSTITUCION" and the
sailing vessel "ELISABETH" I beg to acquaint you that I
now learn from a letter to hand this morning from the
Pacific Steam Navigation Company, of Liverpool, that they
have been good enough to forward to Mr. Smith - the Surveyor
in question - my cabled instructions to proceed to Callao
to hold the necessary surveys on these vessels upon the same
conditions as those which obtained in the survey of the S.S.
"IQUITOS" last year.

I am, Dear Sir,

Yours faithfully,

Secretary.

Edmundo de la Fuente, Esq.,
