20th. January, 1893.

Gentlemen,

I have to acquaint you that the Bk. "OSBORNE", No. 403 in the Register Book has recently had considerable repairs effected to her at Calcutta, and that the Committee have given instructions for a Special Survey to be held on her when she returns home.

She is reported to have left Calcutta on December 9th. for your port, and I have, therefore, to request you will let me know immediately upon her arrival, in order that arrangements may be made for the special examination referred to.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

DUNDEE.
