S.

Enclosure.

27th September, 1892.

Sir,

I am directed to forward herewith a report No.794 received from the Society's Surveyor at Calcutta on the new 4 masted Bk."OSBORNE", built at your port in the spring of the present year, and to request that the Liverpool Surveyors will furnish me, for the information of the Committee, with any remarks they may have to offer in regard to the defects referred to in the report.

I am, Sir,

Your obedient Servant,

Secretary.

W.C.Davey Esq.

Liverpool.
