Deferred

14th. December, 1906.

H. Dear Sirs,

I beg to acknowledge the receipt of your letter of the 10th. instant intimating that the steamer "FLORIDA" is now either at Delagoa Bay, or on her way to Colombo for orders, and that as soon as you know to which Indian port she will proceed, you will cable to the Master to have her boilers submitted to the inspection of the Society's Surveyor.

In reply, I have the pleasure to say that the Committee, who had the case before them at their meeting to-day, consider this to be quite satisfactory.

I am, Dear Sirs,

Yours faithfully,

Messrs. Nelson, Donkin & Co.,
