Survey due Boiler Survey due October 1906

The Owners write that this vessel is either now at Delagoa Bay or on her way to Colombo for orders. As soon as they to which Indian port she will proceed they will cable the Master to have the survey held.

(A new donkey boiler was fitted on board at Calcutta in October and VESSEL will be eligible for the record of NDB.06-1001b when the safety valves have been adjusted). Sat. 13/12/06

Submitted for approval.
