Schepels = On (until) return home
From
Karachi
Or
Bombay.

to which I have received your reply:-

Egloga = The reply to your inquiry is "Yes".
Embugh = Vessel is in my opinion fit to retain her class.

The case has received the careful consideration of the General Committee in conjunction with a letter which has been received from the Owners, and in all the circumstances the Committee have deferred action as regards the vessel's class, subject to the steamer coming home direct from Karachi or Bombay and to the requirements of the S.S. No.3 and all repairs being completed on her arrival home.
