31st December, 1912.

Dear Sirs,

S. In confirmation of my message by telephone this morning, I beg to acquaint you that the Committee had under consideration to-day your letter of the 24th instant relative to the case of your Steamer "SHIRLEY", referred to in recent correspondence between us, and that as it appears that the Steamer is not proceeding to Bombay from Calcutta the Committee feel there is no option but to require all the repairs to be effected now to the satisfaction of the Society's Surveyor at Calcutta and before the vessel leaves that port for Rangoon.

They will therefore be glad if you will be good enough to cable instructions to the Master accordingly.

I am, Dear Sirs,

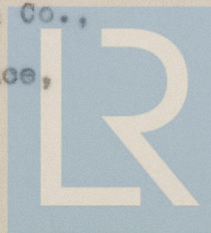

Yours faithfully,

Secretary.
