Dear Sirs,

S. I beg to acknowledge the receipt of your letter of the 9th instant respecting your steamer "SHIRLEY", and in confirmation of the verbal intimation given to your Representative this afternoon, I have to say that the case of this vessel again received the careful consideration of the Committee at their meeting today, and that in all the circumstances the Committee feel there is no alternative open to them but to require the necessary repairs to be effected on the steamer's next arrival at Calcutta if she is to retain her class.

You will therefore see that the Committee are unable to agree to your proposal to bring the vessel home before dealing with the matter.

I am, Dear Sirs,

Yours faithfully,

Messrs. Houlder, Middleton & Co., Ltd.,
