Dear Sirs,

I was duly favoured with your letter of the 14th instant relative to the case of your steamer "SHIRLEY", and beg to acquaint you that the matter was again brought under the notice of the Committee of the Society today.

In reply I am desirous to say that for the reasons indicated in my letter of the 11th instant the Committee feel they have no alternative but to adhere to their decision that the survey and repairs of this vessel must be completed by the end of March next, and they trust that you will be able to make arrangements accordingly.

I am, Dear Sirs,

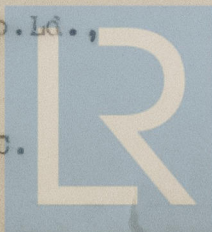

Yours faithfully,

Secretary
