H. Dear Sirs,

I have to acquaint you that in a letter dated 6th instant the Society's Surveyors at Havre stated that the Bk "ELFLEDA" was leaving their port on the following day for Tonsberg where she was to be submitted to the Second Special Survey No.3. I shall therefore be glad if you will give the case the necessary attention, and for your information I send herewith particulars of the vessel's scantlings from the first entry report together with special printed instructions regarding the inspection in question.

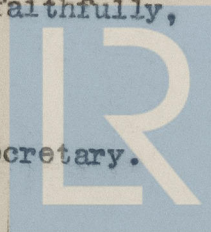

Should the vessel leave your district without the above arrangement being adhered to you will be so good as to advise me immediately.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
CHRISTIANIA.

Secretary.
