Sir,

I duly received your letter of the 11th instant respecting the Bk. "ELFLERA" and "FINGAL" and beg to inform you that I enclose herewith plans shewing how the propeller brackets for these vessels are made.

It will be noted that the length of the stern bush are now as required as pieces have been welded on by the electric welding process.

I am, Sir,

Your obedient servant,

Lieut. C. A. Lyshad

The Secretary,

London.
