ENCLOSURE.

18th June, 1937.

Dear Sir,
Dear Sirs,

I enclose herewith for your information and guidance a photographic copy of Genoa report No. 14870 on new engines for the Motorship "FELLA", and shall be glad if you will be guided accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

TRIESTE.

RS.

It was immediately despatched to Trieste and it is stated will be installed on the M/V "FELLA". We are expecting to test the second boiler in a few days' time, and if found satisfactory this will also be despatched to Trieste for the purpose of installing on board the M/V "CELLINA".

A copy of your letter to the Trieste Surveyors and their attention has been forwarded to the Trieste Surveyors and their attention.
