Part of Survey

Discharge, 29. 5th June 1937.

Dear Sir,

Messrs "ITALIA" of this port have urgent need of two Donkey Boilers for the purpose of placing same on board Motor Vessels of **SURVEYORS** class which are to be **GENOA** shortly fitted with new Oil Engines, and state that the only available ones that can be found are two second-hand

8.6.37.

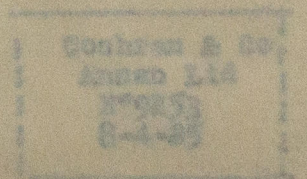

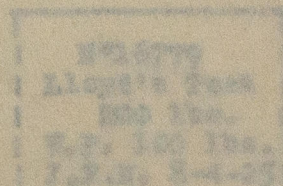

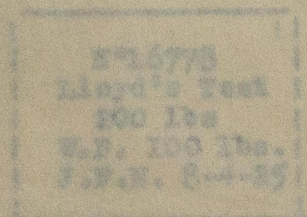

**DONKEY BOILERS FELLA CLASS VESSELS ACCEPTABLE PROVIDED FOUND SATISFACTORY UNDER HYDRAULIC TEST**

At the urgent request of Messrs. "ITALIA", we

**COMMITTEE**

have carefully examined these boilers at Genoa and found same generally in good condition, our examination indicating that these Boilers have been little used since date of build.

The test marks were as follows:-
