12 OCT 1936

Ans. 12/10.

Dear Sir,

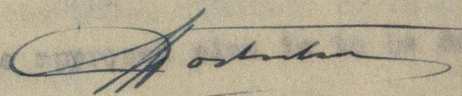

LONDON

We enclose herewith, for the information of the Committee, copy of outline plan of new sternframe and rudder of the M.S. "FELTRE", "RIALTO", "FELLA" and "CELLINA", showing reduced width of sole piece consequent upon a reduction in the speed and angle of helm originally proposed.

A copy of the endorsement relating thereto is also enclosed herewith.

I am, Dear Sir,

Yours faithfully,

For the Surveyors.

Trieste, 8th October 1936.

The Secretary,

LONDON.

LONDON

Dear Sir,

We enclose herewith, for the information of the Committee, copy of outline plan of new sternframe and rudder of the M.S. "TENTH", "RIANTO", "HELIA" and "CELESTIA", showing reduced width of sole piece consequent upon a reduction in the speed and angle of helm originally proposed. A copy of the endorsement relating thereto is also enclosed herewith.

I am, Dear Sir,  
Yours faithfully,

For the Surveyors.

Referred to the Chief Ship Surveyor.
