71, Fenchurch Street, E.C. 3.

=====

Sketch, in duplicate, shewing proposed adaptation of forward part of existing deep tank as an oil fuel bunker, submitted by Messrs. Cantieri Riuniti dell'Adriatico, Monfalcone.

It is submitted Messrs. Cantieri Riuniti dell'Adriatico be informed that provided the work be carried out as shown and amended and to the Surveyors' satisfaction, the proposal merits approval.

The flash point of the oil fuel to be above 150°F and the requirements of Section 20 of the Rules, where applicable, to be complied with.

A sketch showing the necessary modifications to the pumping arrangements to be submitted in due course.

One copy to be forwarded to Messrs. Cantieri Riuniti dell'Adriatico with the request to return same after noting together with an extra copy for office reference.

Trieste, 7th February 1936.
