

Lloyd's Register of Shipping

Via Mazzini No. 9,

Trieste (III), 8th November 1935.

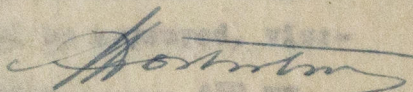

Casella postale No. 2.

Dear Sir,

With reference to your letter of the 1st instant regarding plan of Simplex balance rudder for the Motor Vessels "FELLA", "FELTRE", "CELLINA" and "RIALTO", we have to inform you that the plan of sternframe embodying the suggestions made by Mr. Potts to Mr. Ormiston on the occasion of his recent visit to London is now being prepared and will be submitted in due course to this office for approval.

I am, Dear Sir,

Yours faithfully,

For the Surveyors.

The Secretary,
LONDON.
