Dear Mr. Turnbull,

I have your letter of the 3rd instant regarding the registered dimensions of the Motor Vessel "FELLA" which you pointed out do not correspond with the similar dimensions with the sister vessels, "CELLINA" "FELTRE" and "RIALTO"

On looking into the matter I find that through an oversight the British Measurements have been allowed to remain in the Register Book in the case of the "FELLA" and I have taken the matter up with the department which is responsible and have arranged that the Italian Registered dimensions will be substituted for the British, so that in the next posting and Supplement the records for each of the four vessels will be the same.

Thanking you for calling my attention to this matter

Yours faithfully,

N.G. Turnbull Esq.,

TRIESTE.
