ANS^d

Sir,

Your communication respecting the 2nd 3rd Survey s. s. "Parthenon". I saw the Captain on his way down to the Mediterranean some days since, & he assured me that it was his intention to stop here on his way up on in ballast, in order to make the necessary survey or at least to commence the same. I informed my colleague but probably he forgot to communicate this, leaving for England about that time.

I am
Sir

Your Obedt Serv^t
G. R. Warren

A. G. Dryhurst Esq
The Secretary.
