Sir

In reply to your letter, marked and dated as above, respecting the S.S. "Parthenon" — No steps have yet been taken in respect to the survey now due, as far as I can learn, except that the vessel until a few weeks ago was laid up for a long period at Sees, the house of the owners, where she was being scotched and cleaned &c —

I am told that in a few days she will arrive here in ballast and I have taken measures to obtain information of the Captain in regard to this matter, and will write again as soon as I have obtained any information —

I am

Sir

A. G. Dryhurst &
