Sir,

I have to acquaint you that I am in receipt of a letter from the Bureau of the steamer "Baltimore" in which it is stated that the master of this vessel has instructions to carry out the Special Survey No. 3 on her arrival either at your port or Constantinople. I therefore enclose herewith for your information & guidance particulars from the Third Entry Report together with a copy of instructions in regard to the carrying out of the above named survey, and shall be glad if in the event of the matter receiving attention at your port you will forward a report on the same to this Office in due course.

Yours, Sir,
