Dear Sirs,

With reference to your letter of the 23rd June / 6th July last respecting the classification in this Society's Register Book of your steamer "PARTHENON", I have to acquaint you that I have been in communication with the Society's Surveyors at Constantinople relative to the survey held on the vessel at that port early in May, and from a letter received from these Gentlemen it appears that they received no intimation or request to carry out the Special Survey No.3 and consequently no inspection was held on the hull.

Under these circumstances I shall be glad to learn for the information of the Committee what steps you intend taking with a view to the submitting of the vessel to the survey in question.

I am, Dear Sirs,

Yours faithfully,

Secretary.
